DATA PROTECTION

Windmill Hill Horticultural Society has built a database to assist with the running of the Show. It is used to print the exhibit cards, calculate the winnings for each exhibitor, and work out who has won the trophies. We also keep, long-term, a list of prize winners.

The provisions of the General Data Protection Regulation (GDPR) now require that we obtain the consent of exhibitors to their personal data being used for these purposes.

I agree to my personal data or that of my child being used by Windmill Hill Horticultural Society for the purposes listed above.

I agree to abide by the Rules of the Show.
